Hard wired 3 way crossover utilising audiophile inductors, metal film resistors and ICW polypropylene capacitors.

Bi-wirable or Bi-Amp inputs with gold terminals.

Easy 6 ohm load with 90 dB/Watt sensitivity.

Finish – Gloss Black, Light or Dark Cherry, Maple real wood veneers.

Full magnetic shielding.

Maple

Dark Cherry

SPECIFICATION

Frequency Response		48Hz - 38kHz
Sensitivity		90dB
Crossover		3.2kHz
Nominal Impedance		6 Ohms
Drive units:	Tweeter	1 x 26mm metal dome
	Mid / Bass	1 x 130mm glass fibre cone
Drive Unit Loading		Bass reflex rear ported
Power Handling		15W – 100W
Dimensions (mm)		H 335 x W 183 x D 230
Weight (kg)		7 each
Magnetic shielding for AV use		Yes

Designed in the United Kingdom
