

REVOLVER

Music Series 5 loudspeaker

The Revolvers are gloriously easy to live with on a day-to-day basis. They're fine all-rounders and a welcome addition to the fairly short list of 'five-star' floorstanders around at this price'
What Hi-Fi ' 5 Stars' Feb 2010

Hybrid Cabinet of Chipboard and MDF to reduce cabinet resonance.
 Revolver 26mm anodised aluminium dome tweeter with powerful ring magnet.
